

Kristina Anderson Danzara and the Cucking of Bruce Danzara

By Ben Caesar

This is Kristina.

This is her husband.

They are both old, and she has given him no kids.

She uses his money to buy material things. She is using him.

Look at that fake smile. She has no soul left. Depressed all the time.

Just when the caterpillar thought the world was over, it became a butterfly.

The LORD is close to the brokenhearted and saves those who are crushed in spirit.

Psalm 34:18

Bruce is depressed too. He knows what's happening to him. He is not stupid.

Right before I finally woke up I kept screaming "Oh please wake me up! Somebody please wake me up!" over and over again. And all that kept happening was I was transported in different areas of the dream.

It was one of those recurring nightmares I have that I'm back in college and my last two classes of the day I haven't been to in a few months so I know I'm going to fail anyway. In the dream I kept thinking "wow this is for real this time". But there is a teacher in the last class that is kind of hott. But I am wearing some dorky outfit although I have a ton of clothes to change into but can't find a decent bathroom to do it. I find one and this gymnastics team is waiting patiently outside for me to get it over with and I couldn't find the right clothes. Then I found another bathroom somewhere else but it had glass walls where this guy in his office could see right in. Then I said "eff it" and was just going to drive home but I knew it would take about 40 minutes to get home. Of course I couldn't find my car as usual and couldn't remember which parking lot I parked it in. Then I lost my purse and all my clothes and thought this is some nightmare I need to wake up from and began screaming.....tl;dr

Serves me right for going back to sleep after I've been awake a couple hours. Happens every time! 😊

OH MY!

Listening to music.
Fantasizing about a life I don't have, but want.
Fantasizing about celebrity crushes.
Home decorating.
Swimming.
Eating.
Sleeping.

How ungrateful! She fantasizes about other guys while married to Bruce, and is only using him for material possessions.

She is usually seen having fun hot young studs at Iva Lee's and the Red Fox Lounge.
